## LBMAA EVENTS

### MISS AMERICA SPEAKS AT LEADERSHIP LUNCH

LBMAA members enjoyed an inspirational presentation from Miss America Cara Mund during January's Leadership Lunch. Mund's presentation highlighted the importance of hard work, selflessness and persistence. She shared some of her experiences leading up to becoming Miss America, including her involvement in a Make-a-Wish fashion show, which she started when she was only 14 years old. Mund also spoke about the road to Miss America and the challenges she encountered along the way. Following her presentation, she posed for photos with attendees.

### LBMAA MEMBERS VOLUNTEER AT SOUP KITCHEN

In March, 14 LBMAA members volunteered at the Heaven's Helpers Soup Café, where they served soup, sandwiches and dessert to hungry men and women. Due to the great response, the LBMAA board of directors plans to offer more group volunteer activities in the future.
